Competition attendance

Dartmouth Amateur Athletics Club is a competing club which competes in a number of competitions across the year. The competitions give the athletes the chance to compete and test themselves while putting everything they have been taught into practice. The club has a great history of doing well in the competitions and winning some of them now and again. The competitions consist of Indoor sports hall, Track and Field, X-Country and many other fun events. Competition is not a mandatory requirement but we would hope that athletes attend a few competitions and attempt at least one of the league competitions. Remember that coaches within the club are here on a voluntary basis and spend a lot of time and effort into developing your children, in return they would really like to see them competing and assess how they are progressing. Please note that membership is subject to the child's willingness to compete and parent/guardians willingness to help on training nights and within the club, priority membership is given to these individuals. Please remember the club is run by the committee and coaches who give their time voluntary for the children. There is a rota for parents help which is available on training nights for parents to volunteer to help on Thursday evenings We need your help!!

I give consent for the above named child to take part in coaching sessions, fitness tests, competitions and other related activity organised by Dartmouth AAC or affiliated body and for first aid and/or appropriate medical assistance to be administered to him/her in the event of an accident or injury. I understand that neither Dartmouth AAC nor any organisation providing facilities, their agent's servants and employees accept any responsibility for loss, damage or injury caused by or during attendance at any Dartmouth AAC activity except where this can be shown by result of negligence of the said parties. I understand that Dartmouth AAC may arrange for photographs to be taken of its activities and consent to photographic images of the above named child to be used by Dartmouth AAC for promotional purposes. I agree that my personal data will be held on a club database. I agree to the disclosure of this personal data in a list of club members to UK Athletics.

All information given in this form will be treated as strictly confidential and will be disclosed only to Dartmouth AAC committee and coaching staff or to competition organisers for the purpose of registration. Dartmouth AAC may from time to time communicate with you by email to the address given above. Please ensure you inform the club if any of the information on this form changes.
